Dear families of the Acton Chinese Language School,

The Acton-Boxborough Cultural Council congratulates you on Acton Chinese Language Night! Your careful and thorough planning were evident throughout the evening. Each minute of the program was highly entertaining and each performer showed extraordinary skill and enthusiasm.

We were happy to be able to assist you with publicity efforts and it was exciting to see such a large audience.

Thank you for giving this wonderful program with performers of local and international repute to the people of Acton and Boxborough. We look forward to future Chinese Music Nights, and hope that other organizations will follow your shining example!

Warm regards,

Barbara Estabrook and Reshma Singh, co-chairs
